### **Hourglass**

Music:Mitsuo Yanagi

Lyrics:George Cockle

Just take a chance, be my baby  
Why don't you step on out, be my baby?  
I saw you glance, over my way  
So won't you turn about, be my baby?

Rap

Just take a chance, be my baby  
Why don't you step on out, be my baby?  
I saw you glance, over my way  
So won't you turn about, be my baby?

Don't wast your time  
Idle thoughts  
Don't waste your time  
Looking for reasons  
Talk to me  
Let me tell you something  
Let me show you something  
Your resignations got you  
Live it up!  
Give it up!  
Sum it up!

It's not right to  
Live your life alone  
No, no, don't do that  
Like a garden stone  
No, no, no you can't do that  
Dog without a bone  
No, no, don't do that  
Waiting by the phone

The hourglass is sifting sand  
The hourglass is sifting sand

Just take a chance, be my baby  
Why don't you step on out, be my baby?

I saw you glance, over my way  
So won't you turn about, be my baby?
