

Merry Christmas in Honolulu / Coast Groovers

Merry Christmas Snow is falling

Music: Kai Gakuso

Lyrics: George Cockle

Saw the weather on the morning news
It's snowing all around the world
New York Town, Tokyo, even Jerusalem

Christmas tree is a palm tree in the sand
Sun is shining not a cloud in the sky
Santa Claus
Catch the waves in this land of make believe

On this island in the sun, it never snows
Time of year to find the joy in the air
People's hearts like the sun
Always warm and welcoming
Christmas time
Here in Honolulu
Merry Christmas in Honolulu

Christmas lights are glowing in the streets
Reminding me of "Honolulu City Lights"
Lovely song all of those memories are wonderful

On this island in the sun, it never snows
Time of year to find the joy in the air
People's hearts like the sun
Always warm and welcoming
Christmas time
Here in Honolulu
Merry Christmas in Honolulu

雪は降らないクリスマス・イブ 太陽の島
愛にあふれ輝くこのシーズン
僕らの愛で世界中を包もう
クリスマスタイム

Here in Honolulu
